The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**JOB ORDER CONTRACT FOR  
REPAIR AND REHABILITATION OF COUNTY FACILITIES  
ADOPT AND ADVERTISE  
SPECS. VARIOUS; DSR VARIOUS  
ALL SUPERVISORIAL DISTRICTS  
3 VOTES**

**JOINT RECOMMENDATION WITH THE CHIEF ADMINISTRATIVE OFFICER THAT  
YOUR BOARD:**

Adopt the Job Order Contract Unit Price Book and Specifications and instruct the Executive Officer to advertise for bids to be received on March 25, 2003, in accordance with the enclosed "Instruction Sheet for Publishing Legal Advertisements."

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

We are recommending that your Board authorize the Director of Public Works to use JOC for repair and rehabilitation of County facilities. The JOC will augment the County's ability to effectively and efficiently respond to a broad array of County facility repair demands, facility alterations, and rehabilitation projects under the direction of Public Works.

The JOC is a cost-effective unit price contracting technique to accomplish repair and refurbishment of County facilities without extensive plans and specifications. Public Works has used 12 previous JOCs to repair or refurbish County buildings. This relatively simple and straightforward process reduces administrative requirements and lowers direct construction costs, while meeting all Federal, State, and County procurement requirements.

On October 8, 2002, your Board authorized the Director of Public Works to award a one-year JOC for a not to exceed fee of \$3 million. The entire amount has been allocated for capital projects and earthquake repairs in the courts, health, justice, and general project areas. A new JOC is needed for additional capital project related work.

The Public Contract Code Section 20128.5 allows individual JOC contracts to have a one-year term and a maximum value of \$3 million.

### **Implementation of Strategic Plan Goals**

This action meets the County Strategic Plan Goal of Service Excellence and Organizational Effectiveness as this construction contract will improve public facilities and restore them fully into service sooner than with traditional construction contracting.

### **FISCAL IMPACT/FINANCING**

There is no anticipated additional fiscal impact to the County General Fund. Work will not be assigned to the JOC Program without the prior review and approval from the Director of Public Works or the Chief Administrative Office.

The contract will be administered by Public Works. The repair or refurbishment work will be financed through the appropriate Public Works fund or capital/refurbishment project budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

A standard contract, previously approved by County Counsel, will be used. The standard Board-directed clauses that provide for contract termination, renegotiation, and hiring qualified displaced County employees will be included in the contract.

The project specifications contain provisions requiring the contractor to report solicitations of improper consideration by County employees and allowing the County to terminate the contract if it is found that the contractor offered or gave improper consideration to County employees.

As requested by your Board on August 12, 1997, and as a threshold requirement for consideration for contract award, bidders will be required to attest their willingness to consider Greater Avenues for Independence Program/General Relief Opportunity for Work participants for future employment.

The State Labor Code requires contractors to pay prevailing wage rates to all persons employed on Public Works contracts.

As required by your Board, language has been incorporated into the project specifications stating that the contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws.

Bidders will be required to be in full compliance with Los Angeles County Code Chapter 2.200 (Child Support Compliance Program) and Chapter 2.203 (Contractor Employee Jury Service Program).

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, their civil litigation history, and information regarding prior criminal convictions. The information reported will be considered before making a recommendation to award.

#### **ENVIRONMENTAL DOCUMENTATION**

The implementation of each work order under this JOC shall be subject to a prior determination and documentation by Public Works that the work order is categorically exempt from the California Environmental Quality Act. In the event the work order is not exempt, your Board will be requested to approve the appropriate environmental finding and documentation prior to implementation.

#### **CONTRACTING PROCESS**

Advertising for bids will be in accordance with the County's standard "Instruction Sheet for Publishing Legal Advertisements" (enclosed).

As requested by your Board on February 3, 1998, the invitation for bids will be listed on the "Doing Business with the County" website.

Public Works has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended contract as this contract is for non-Proposition A services.

Following receipt of bids, we will return to your Board for construction contract award.

Participation by Community Business Enterprises will be encouraged through Public Works' Capital Projects CBE Outreach Program and by monitoring the good faith efforts of bidders to utilize CBEs.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The use of this contract will expedite the completion of County construction repair or refurbishment work managed by Public Works. Minor impacts to tenant departments will occur while repair or refurbishment work is underway.

**CONCLUSION**

Please return one adopted copy of this letter to the Chief Administrative Office and Public Works.

Respectfully submitted,

JAMES A. NOYES  
Director of Public Works
